Look on pages 6 and 7 for Steps to Take After Graduation – use it to put a plan together to keep you on track. Page 8 is a visual summary for what to do and when.

# STEPS TO TAKE AFTER GRADUATION

*Please follow these steps to ensure academic proficiency, regulatory board compliance and professional protection if practicing in Ontario. If practicing in another province, contact details for provincial associations are on page 3.*

## Step 1: Examinations

- Apply for CCEB exams. Visit [this web page](#) for instructions.
- [CCO Legislation and Ethics Examination Application](#)
- Take the CCEB and CCO examinations.
  - CCEB Knowledge-Based examinations
  - CCEB Clinical Competency examinations
  - CCO Legislation and Ethics examination

**Did you know?** CCEB examination results take approximately four weeks to process. Upon successful completion of the CCEB examination and CCO Legislation and Ethics Examination, CCO will send candidates an application form to be completed for membership.

## Step 2: For registration, apply to CCO or your provincial regulator

- Get familiar with the [key CCO registration requirements](#) and what the registration process involves.

**Prospective CCO members must first:**

- Graduate from an accredited chiropractic college (this requirement is non-exemptible)
- Successfully complete the Canadian Chiropractic Examining Board (CCEB) examinations
- Successfully complete CCO's Legislation and Ethics examinations.

## Step 3: Apply to OCA or your provincial association

- Visit [chiropractic.on.ca](http://chiropractic.on.ca) and click [Join Ontario Chiropractic Association](#) button on the home page. If you're an OCA Student Member,

# STEPS TO TAKE AFTER GRADUATION

log in to the **OCA Self-Serve Member Portal**, go to **Join Now** at top of page and follow the prompts. (Alternatively, join another provincial association if you're practising outside Ontario.)

- When you have your registration number from CCO, email it to [oca@chiropractic.on.ca](mailto:oca@chiropractic.on.ca) to complete your application process
- If you have questions, contact [oca@chiropractic.on.ca](mailto:oca@chiropractic.on.ca) or call at 416-860-0070. Toll-free: 1-877-327-2273

## Step 4: Apply to CCA

- Join now! Visit [chiropractium.ca](http://chiropractium.ca) and click **Join Now**, followed by clicking **“CCA Membership Application (New Graduate)”**
- If you have questions, contact CCA's Membership Team at [membership@chiropractic.ca](mailto:membership@chiropractic.ca) or call 1-877-222-9303/416-585-7902

**Did you know?** CCPA protection is only available to chiropractors in Canada who are members of the CCA and their provincial chiropractic association.

## Step 5: Apply to CCPA

**To qualify, ensure you meet these requirements:**

- A Doctor of Chiropractic degree from an accredited chiropractic college, such as CMCC, UQTR or University of Western States
- Successful completion of the CCEB examination
- Licensure from your relevant provincial regulator
- Membership with the Canadian Chiropractic Association and your relevant provincial chiropractic association, such as the OCA
- Register for membership with CCPA. Visit [ccpaonline.ca](http://ccpaonline.ca) and click **“BECOME A CCPA MEMBER”** on the top right corner. Enter your college email address to get started.
- If you have questions, please call 416-781-5656 or 1-800-668-2076, or [admin@ccpaonline.ca](mailto:admin@ccpaonline.ca)

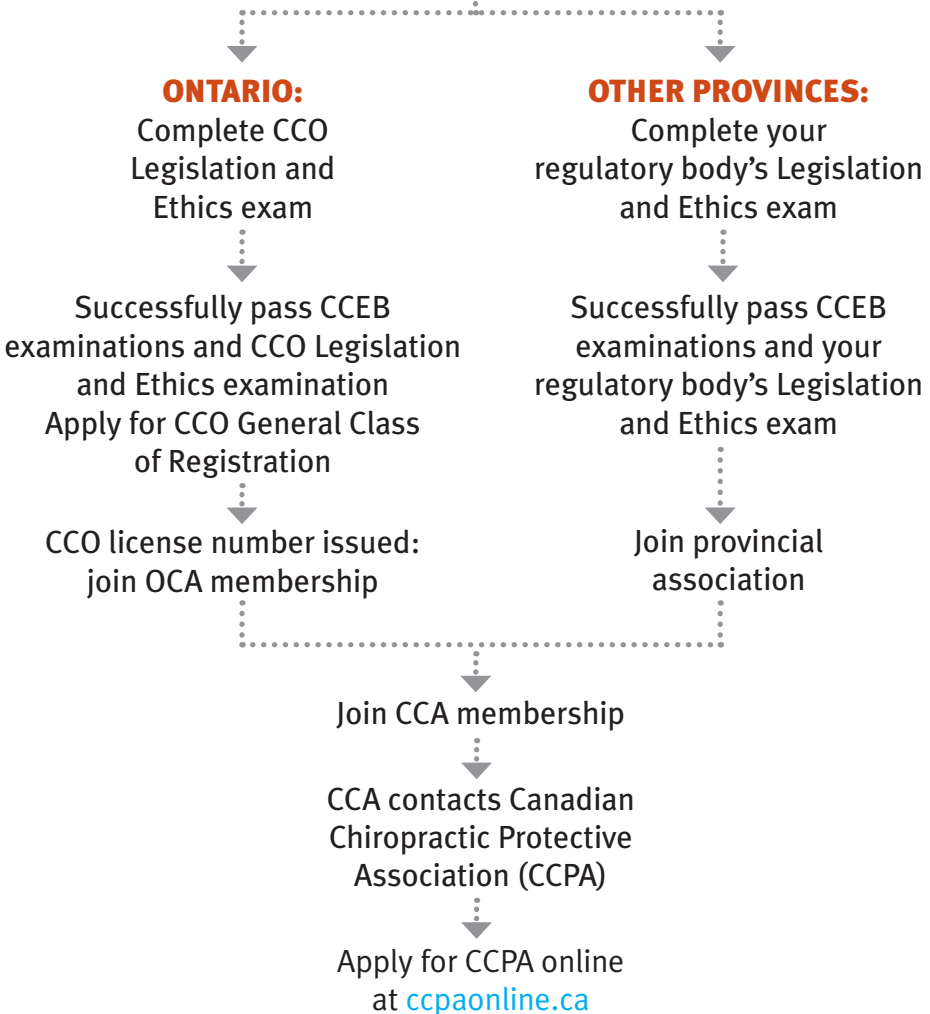

## Optional Steps

- Register for **HST number**, **Telus Health**, **HCAI**, **WSIB MSK Program of Care**, set up **WSIB billing**, and apply for **OHIP billing number** (for X-ray requisitioning).

**CONGRATULATIONS!  
YOU ARE NOW A DC**

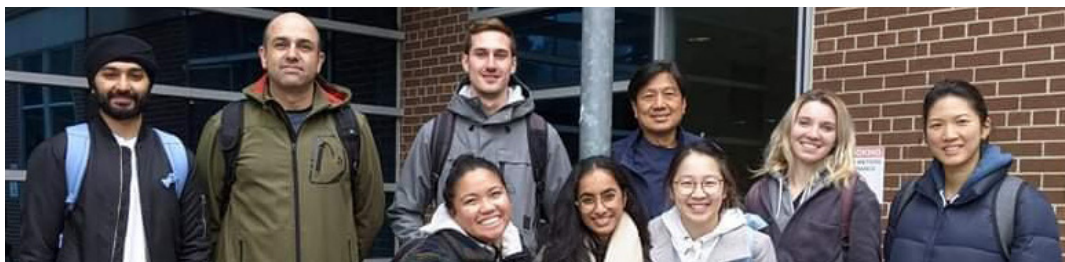

**Complete Canadian Chiropractic Examining Board (CCEB)  
Exams\***

\*Please disregard this step if you have previously completed the CCEB exams during your final year.

## OCA is Here for You

Tune in to find out what support is available to you to build a successful practice. Your provincial association has resources for you whether you're looking to attract and educate patients, manage your business or understand your legal obligations – the OCA is here to answer your questions and guide you on your journey. [chiropractic.on.ca/event/oca-is-here-for-you/](https://chiropractic.on.ca/event/oca-is-here-for-you/)

## Jumpstart Your Career – Part Two '23

In addition to Jumpstart Your Career guide highlights, this webinar outlines recent OCA initiatives such as our partnership with a University of Guelph researcher and how our Enriched Academy Program can build your financial literacy. We'll also dive deeper into OCA's role in knowledge translation (KT) to support the research agenda. This includes the importance of KT for practising chiropractors and the profession, current benefits and challenges with adopting KT, as well as OCA's role in developing KT tools to support evidence-based practices.

## Money Talk for New Chiropractors

In your first five years in practice, you may be paying off school debt, looking for employment, deciding where to live, or thinking about starting a family. This webinar will help you navigate early career decisions that can strengthen your financial future. [chiropractic.on.ca/event/money-talk-new-chiropractors/](http://chiropractic.on.ca/event/money-talk-new-chiropractors/)

## Difficult Conversations with Patients

An interactive discussion on how to have difficult diagnosis conversations and address sensitive topics with patients and caregivers. [chiropractic.on.ca/event/difficult-conversations-with-patients-oca-encore-presentation/](http://chiropractic.on.ca/event/difficult-conversations-with-patients-oca-encore-presentation/)

## Networking and Communicating Your Value

There's a lot of competition out there. Learn to cut through the noise by fostering authentic relationships with potential patients and colleagues. This positive approach to networking from Dale Carnegie Training will help you to build confidence and credibility, communicate your value and establish profitable connections. Specific topics of this webinar include "Pitching Yourself with Why Statements" and "3 Strategies to Communicate Your Value." [chiropractic.on.ca/event/networking-and-communicating-your-value/](http://chiropractic.on.ca/event/networking-and-communicating-your-value/)

## Teaming Up: Critical Considerations for Associate Agreements

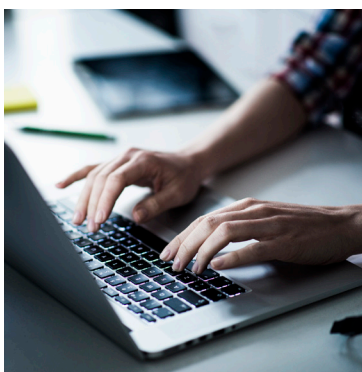

Joining an established practice can be a great way to launch your career. Everyone starts these relationships intending to be respectful and prosperous. However, as in any business relationship, it is prudent to put the terms of the association down on paper. This webinar will review the basic structure of an associate agreement, critical considerations to bear in mind when negotiating, and a few practical suggestions for common issues that arise. [chiropractic.on.ca/event/teaming-up-critical-considerations-for-associate-agreements/](http://chiropractic.on.ca/event/teaming-up-critical-considerations-for-associate-agreements/)

## Livin' La Vida Locum

Many new chiropractors are choosing to open their careers with locums. They offer a great proving ground for clinical skills and a chance to ease into the business side of chiropractic. But they can come with a considerable amount of risk. CCPA will walk you through how to manage that risk. [chiropractic.on.ca/event/livin-la-vida-locum/](http://chiropractic.on.ca/event/livin-la-vida-locum/)

## What Business Expenses Could You Be Deducting?

This webinar examines the most common mistakes that business owners make when deducting expenses against their revenue. We also examine the most popular expense categories for health care professionals and categories that are highly auditable. <https://chiropractic.on.ca/event/what-business-expenses-could-you-be-deducting-rebroadcast/>

## Record Keeping and Report Writing – The Do’s and Don’ts

Join OCA Advance and our good friends at Beyond Law for this webinar to discuss record keeping and report writing tips, when and why your records will be produced, and how your records are used by lawyers in the litigation. <https://chiropractic.on.ca/event/record-keeping-and-report-writing-the-dos-and-donts/>

## The Good Space: Office Leases for Chiropractors

Good office space is critical for your chiropractic practice’s long-term success. Learn to negotiate offers to lease and lease agreements and how to avoid common pitfalls. Understand how rent is calculated for commercial office space to ensure you are not overpaying. Discover how to structure your lease to minimize landlord interference. Includes tips on renewing and extending your existing lease and how to limit personal liability. <https://chiropractic.on.ca/event/the-good-space-office-leases-for-chiropractors/>

## Debt Elimination Action Plan

Many Canadians live paycheque-to-paycheque, have a low savings rate, insufficient retirement funds, and are heavily indebted with both mortgage and consumer debt. This session will teach you the cold hard facts about debt and help turn your “debt-blues” into a more positive mindset and build your knowledge, motivation, and commitment to attack your debt.

*Continued on page 14*

## Debt Elimination Action Plan *(Continued from page 13)*

Also discussed are:

- Why spending and managing the money you have is a lot more important than raising your income.
- Compound interest – how it works against you and how to get it working for you
- Strategies, methods, and the mindset to help you break out from a never-ending cycle of debt payments

<https://chiropractic.on.ca/event/debt-elimination-action-plan/>

## How to Connect and Build Trust with Strategic Questions and Active Listening

Webinar on how to use strategic questions and active listening to effectively communicate with patients. Learn how to better use questions with patients: improve rapport, better identify ailments and issues and create a more open environment for sharing. Understand how active listening impacts patient perception and patient outcomes. <https://chiropractic.on.ca/event/how-to-connect-and-build-trust-with-strategic-questions-active-listening-rebroadcast-2/>

# CCO CERTIFICATE OF REGISTRATION

*The College of Chiropractors of Ontario (CCO) is the governing body established by the provincial government to regulate chiropractors for the public interest. Every chiropractor practicing in Ontario must be a registered member of the College.*

## CCO's Role

- To regulate the profession in the public interest in accordance with the Regulated Health Professions Act, 1991, the Chiropractic Act, 1991, regulation and by-laws.
- To register qualified applicants as chiropractors in Ontario.
- To maintain a public register.
- To investigate and review complaints and reports.
- To conduct discipline hearings.
- To develop and implement a quality assurance program, which includes self, peer and practice assessment, continuing education and professional development.
- To develop and maintain standards of practice and professional ethics.

Visit CCO's website at [cco.on.ca](http://cco.on.ca) for more information.

## How to join the CCO

On successful completion of all examination requirements, candidates will receive a letter of successful passing and a registration form and then may apply for CCO registration.

**First Time Renewal Discount:** You will receive a discount of 50% in your first year of renewal with CCO.

## STAYING ENGAGED WITH CMCC

*CMCC is committed to fostering a lifelong, mutually beneficial relationship with alumni throughout their professional careers as chiropractors, researchers and educators. This commitment includes the following:*

### Primary Contact

**Primary Contact** is a CMCC publication, distributed twice per year (via regular mail) to all chiropractors across Canada. It provides updates on activities at CMCC such as new technologies, upcoming events, continuing education, alumni news and more.

### Annual Homecoming Celebrations

Reconnect with your classmates at Homecoming for a weekend of social activities and continuing education. We look forward to welcoming you back where you began.

### Backs in Motion Run/Walk The BackSwing Golf Tournament

These signature fundraising events usually take place in April and September respectively, and represent fun opportunities to remain connected with CMCC and to support the College at the same time.

# STAYING ENGAGED WITH CMCC

## CMCC Committees

There are a number of board committees that present a good opportunity to remain engaged with CMCC. Please contact [board@cmcc.ca](mailto:board@cmcc.ca).

## CMCC hosted events in your province

CMCC hosts events across the country which usually coincide with provincial conventions. This is a great opportunity to reconnect with CMCC and your colleagues.

## Practice Opportunities Listing

Located in the Alumni and Friends section on the CMCC website, this online database of professional practice opportunities is a valuable resource which is updated on a regular basis.

<https://www.cmcc.ca/alumni-friends/practice-opportunities-listing>

## Insight Community

As valued members of the profession, we are eager to have your participation in a new alumni program called *Insight Community*, through which you can share your ideas, thoughts and experiences about CMCC's mission and path going forward. If you would like to receive more information on the program please email [insight@cmcc.ca](mailto:insight@cmcc.ca)

*The CCA is here for new graduates. Our programs are designed to support you throughout your chiropractic journey, with additional emphasis placed on ensuring new grads are best positioned for success. Join us to connect with experts and peers across the country as you launch into a thriving career.*

**Our vision is that chiropractors will be an integral part of every Canadian's healthcare team.** Connect with over 8,000 chiropractors across Canada to show your commitment to the profession, champion an engaged community, and enhance the patient experience. Once you are a licensed chiropractor, you will receive a **complimentary New Grad CCA Membership for up to 18 months!**

## Member Benefits

- We advocate to governments, employers, and the private health insurance industry to highlight how increased access to chiropractic care keeps Canadians healthy and active.
- Stay updated with educational resources as well as continuing education and professional development opportunities — including live and on-demand webinars through the CCA Learning Lab, research resources, government emerging news, and more.
- Access to the CCA's CEO and 2,000+ chiropractors through our private members-only Facebook group.
- Access to [Chiropractium.ca](http://Chiropractium.ca), our exclusive members-only portal, which highlights all CCA Plus affinity program partners and their preferred member rates and services.
- Eligibility for CCPA professional liability protection.

CCA membership is open to any chiropractor licensed in Canada who is a member in good standing with their provincial association.

*The Canadian Chiropractic Protective Association (CCPA) provides protection to member practitioners in the event of a professional negligence claim or regulatory complaint.*

## Member Benefits

- CCPA protects you with a \$5 million per incident limit and an aggregate limit of \$5 million per year. CCPA is also here for you during a regulatory board complaint.
- Call CCPA any time – even before a claim is filed – for advice and support to help you manage risk in your practice.
- Annual Risk Management Projects provide you with free continuing education that empowers you to protect your practice proactively.
- Call CCPA any time - even before a claim is filed - for advice and support to help you manage risk in your practice. New graduates are eligible for substantial discounts during their first five years after graduation.

## How to join CCPA

**Here's another easy one!** Visit [ccpaonline.ca](http://ccpaonline.ca) and click “BECOME A CCPA MEMBER” on the top right corner. To learn more about CCPA, including pricing details, visit the CCPA student portal at [ccpaonline.ca](http://ccpaonline.ca), click “SIGN IN” on the top right, and enter your college email address.

One of the things that sets us apart from other insurers is the peace of mind that comes from knowing that when you call CCPA, someone will listen and do all they can to help.
